REQUEST FOR BID ON SAFER GRANT ADMINISTRATOR

Bids will be received until **Tuesday, November 5, 2019 at 11 a.m.** on the project, specified herein. The Date and Time as stated, is also the time of the public bid opening, unless modified by the Huntley Fire District. All contractors are welcome to attend this opening.

**GENERAL CONDITIONS**

1. **PREPARATION OF BIDS**
   Each bid shall be submitted on the Bid Form furnished in these documents. All bids must be written in black ink or typewritten, and signed with the legal signature of the Bidder, enclosed in an opaque envelope, **sealed and clearly marked showing the bid identification, and date and time of opening in the lower left-hand corner** (a label is enclosed for your convenience). The envelope must also contain the name and address of the bidder. The bidder must insure that the "sealed bid" envelope is properly identified. The Huntley Fire District is not responsible for the premature opening of bid envelopes that are not properly marked. Any bids which are opened prior to the scheduled bid opening because of a failure to properly mark the envelope in accordance with this section, shall be deemed non-responsive and not considered.

2. **EXAMINATION**
   Each bidder shall examine each and every part of these Specifications in order to comply with all requirements.

3. **ERRORS AND OMISSIONS**
   All bidders are requested to notify the Huntley Fire District immediately of any errors or omissions that are encountered. If a mistake in these documents is discovered after the bid opening, the Huntley Fire District will be the sole judge of whether the mistake requires the submission of new bids. This decision shall be final and not subject to recourse. Errors and omissions by the Bidder on the Bid Form cannot be corrected after the bid opening. The bid will be rejected if the error or omission on the Bid Form results in a material defect, the bid will be rejected. Mere computational errors on the Bid Form will be corrected by the Huntley Fire District.

4. **TIMELY SUBMISSIONS**
   The receipt of bids will cease at the date and time set forth above for the receipt of bids. Bids received after the scheduled date and time will not be considered unless evidence is presented, acceptable to the Huntley Fire District that it was in possession of the bid prior to the bid opening date and the bid was misplaced while in possession of the Huntley Fire District. Bids will not be accepted after the scheduled date and time of opening, and any bids received late will be returned to the bidder unopened, if at all possible. It may be impossible to determine whom the bid is from unless it is opened. Should this be the case, the bid will be opened, address secured, and returned immediately.
5. **QUALIFICATIONS OF BIDDERS**
The Huntley Fire District may take action deemed necessary to investigate the qualifications of each bidder. Each bidder shall complete the affidavit of experience form in these Bid Documents and submit such form with the Bid Form. The Fire Protection District reserves the right to qualify or disqualify bidders as a result of lack of similar project experience and/or any other information obtained from the affidavit of experience form. Potential bidders must demonstrate successful completion of five projects similar in scope and magnitude. Bidders must also demonstrate that they have sufficient resources, i.e. capital, laborers, sub-contractors, etc. to accomplish all tasks to complete the project by the specified completion date.

6. **TAX EXEMPTION**
The Huntley Fire District is not subject to federal excise tax or Illinois retailer’s occupation tax.

7. **DELIVERY DATE**
Bidder shall make delivery by the date set forth in the Specifications. Failure to deliver within the specified time shall constitute a breach of the agreement.

8. **SUBSTITUTIONS**
The use of brand name or catalog number in the Specification is only for the purpose of establishing a grade or quality required. Because the Huntley Fire District does not wish to rule out other competition, whenever a specific brand name or catalog number is mentioned, the Bidder should add the phrase "or approved equal". Bidders proposing to use an alternate must request approval in writing to the Huntley Fire District no later than five (5) business days prior to the bid opening. Bids which propose to use a non-approved alternate will be rejected.

The Huntley Fire District shall be the sole and final judge as to whether any substitute is of equivalent or better quality. This decision is final and will not be subject to recourse by any person, firm, or corporation.

9. **ADDENDA AND INTERPRETATION**
All interpretations and requests for interpretations of the Bid Documents must be made in writing. Any addenda shall become part of the Contract Documents.

10. **AWARD SELECTION**
Bids will be awarded to the lowest responsible bidder complying with the conditions and Specifications presented herein. Although price is a major consideration in the award of bids, the Huntley Fire District does not award on price alone. The Huntley Fire District also considers the quality of product, as judged by the Huntley Fire District, terms of delivery, serviceability and any and all other factors permitted by law. If specified on the bid form, awards will be based upon the submitted unit prices. The Huntley Fire District reserves the right to award the Contract to one bidder for the entire project or to any series of bidders for an appropriate portion of the project. The Huntley Fire District also reserves the right to: determine whether the selection, in its judgment, meets the needs or purposes intended; to increase or decrease the quantities shown on the bid; to
reject any and all price or bids submitted and to waive any formality or technicality. Such decisions shall be final and not subject to recourse.

No bids may be withdrawn after the official opening. All bids submitted must be valid for a minimum of one hundred twenty (120) days after the date set for the bid opening. Bids are submitted to the Board for approval at a regular meeting of the Board of Trustees for the Huntley Fire District.

11. CONTRACT
The Bidder to whom the project is awarded is required to enter into a contract, with the Huntley Fire District, substantially in the same form as the Sample Contract contained in these documents.

12. COMPLIANCE WITH LAWS
All materials, supplies and equipment provided under this bid must comply with all federal, state, county and local laws, ordinances, rules, regulations and orders that in any manner affect the production and sale of the product or service contained herein. Additional certifications, attached as addenda, will be required in the event federal or state funds are being used to fund this contract. Lack of knowledge on the part of the vendor will in no way be cause for release of this obligation. The Fire Protection District reserves the right to reject any bid, cancel any contract and pursue any other legal remedies deemed necessary if it becomes aware of violation of any laws on the part of the vendor.

16. FAIR EMPLOYMENT
Bidder's signature on the Bid Form will be construed as acceptance of and willingness to comply with all provisions of the acts of the General Assembly of the State of Illinois relating to wages of laborers, preference to citizens of the United States and residents of the State of Illinois, and discrimination and intimidation of employees. Provisions of said acts are herein incorporated by reference and become a part of this Proposal and Specifications.

17. EQUAL OPPORTUNITY
In connection with the performance of work under this contract, the contractor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability, sexual orientation or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or compensation, and selection for training, including apprenticeship. The contractor further agrees to take affirmative action to ensure EE Opportunities. The contractor agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the Equal Opportunity Clause.
18.  **NON-BARRED BIDDING**
The Bidder must certify that it is not barred from bidding on this contract as a result of a conviction for the violation of state laws prohibiting bid-rigging or bid-rotating by executing the included certification.

*The Bidder, by signing the Bid Form, acknowledges, understands and abides by all of the above "General Conditions."*
