JOB ANNOUNCEMENT

PART TIME FIREFIGHTER/EMT

Mason County Fire District #4 is in South Mason County, which is a rural/wildland interface area, located 20 miles north of Olympia. The fire district serves a population of 7000 residents, and up to an additional 3000 to 5000 depending on local social events. The district offers a diverse cadre of personnel, and programs for staffing. Current staffing includes full-time firefighters, part-time firefighters, scheduled volunteer firefighter program, seasonal wildland positions.

Average call volume is 1400 calls per year, while providing rescue, fire suppression, and BLS ambulance transport service, with liberal mutual aid responses.

Mason County Fire District #4 is conducting a recruitment process in order to establish an eligibility list to fill immediate part-time Firefighter/EMT positions.

Salary Range: $16.60/hour starting with step raises.

Open Period: until filled

Hours of employment: 48-hour shift, on a rotation basis

Examples of Duties: A part-time FF/EMT is responsible for incident response, apparatus operation, fire ground operations, and report writing. Responsibilities also include daily station duties of equipment and facilities maintenance, daily fire and medical training, providing public information and assistance, and other duties as assigned by your officer.
