NATIONAL FIRE ACADEMY OFF-CAMPUS COURSE

**Fire Investigation: First Responders**  
November 2-3, 2020

This two-day course presents a basic overview of a fire investigation. Students will review the basics of fire chemistry and develop an understanding of the role of the first responder in relation to fire suppression and fire investigation. The course will stress the importance of fire scene awareness, evidence identification, preservation, and the basics of a fire investigation. Students will develop an appreciation of the convergence of suppression, investigation, science, and law.

Recommended: Fire and emergency services personnel who respond to fires or might conduct preliminary investigations into the origin and cause of fires.
