Now Hiring FIRE/EMS CHIEF

Skamania County Fire Protection District 6 (SCFPD6) is currently recruiting for the position of Volunteer (paid Stipend) Fire/EMS Chief.

It is the Chief's job to manage and supervise all the departmental business. Work involves managing the protection of life, the environment and property from injury or damage by fire or other hazard within the Fire District, responding and assuming command at all local emergencies. The Chief is directly responsible to the Fire District Board of Fire Commissioners.

Required Qualifications

Knowledge of firefighting, tactics, fire suppression, prevention, fire investigation, control and training practices. Experienced budget management. Ability to advise and direct subordinates in the performance of their work, knowledge of the area and the challenges that the rural environment present. Radio communications, programming and training. Experienced trainer for fire and EMS.

Associate Degree in Fire Science or a combination of experience and training

Licenses and/or Certifications:
Washington state or National Registered Emergency Medical Technician (E.M.T.) required.
The Department
SCFPD6 protects an area of ten square miles with approximately 400 recreational, off grid properties. The fire station is utilized for both emergency and support operations throughout the area and beyond. The District is dedicated to providing the best possible fire and life safety services to both the Swift area community, visitors and businesses.

About the Area
The Swift area community is located in Skamania County, adjacent to the beautiful North fork of the Lewis River. We are at the base of Mount St. Helens, next to the Gifford Pinchot National Forest. Located just 50 miles East of Woodland Washington, the Swift area is the recreational and social center of Northern Skamania County. The area offers excellent outdoor activities such as hiking, boating, fishing, water skiing, hunting, biking, horseback riding, and is within comfortable driving distance of Portland Oregon and destinations in southwest Washington.
